### Subject: Microcontroller and Applications

Dear Student,

The purpose of this survey is to obtain input from the students, for assessment the Course Outcomes (COs). As a student of IV<sup>th</sup> Semester Electronics and Telecommunication Engineering program at Swaminarayan Siddhanta Institute of Technology, Nagpur. We seek your help in completing this survey. Your response is a key part of our continuous improvement process. Your participation is greatly appreciated.

Please insert ✓ in the appropriate box to indicate the degree of your satisfaction level.

**1: Poor, 2: Good, 3: Excellent**

S.N.	Course Outcomes (COs)	1	2	3
1	Demonstrate the programming model of various microcontrollers.		✓	
2	Design and implement 8051 microcontroller-based systems for various applications		✓	
3	Illustrate & program AVR / RISC microcontrollers in Integrated Development environment.		✓	
4	Design and implement advanced processor/controllers-based systems for various applications		✓	
5	Design and develop Arduino based embedded system applications.		✓	

Any other suggestions: How to improve? / Any other comments.
