6.5 Internal Quality Assurance System

6.5.1 Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes.

The Institute established Internal Quality Assurance Cell on December, 2019. The IQAC constitutes of management representative, senior faculty members, heads of department, alumni, current students and experts from various fields. To ensure efficient functioning of IQAC, coordinator of the IQAC shall interact with various functionaries for effective working of IQAC and oversee implementation of policies. The IQAC coordinator apprise chairperson of IQAC from time to time of the progress. IQAC will meet at least twice in a year and record its planning and suggest improvements required if any in academic and administrative functions. The IQAC acts as a central agency of the institution for coordinating quality-related activities, including adoption and dissemination of best practices. IQAC promote innovative practices to continually improve the effectiveness regarding to academics, administrative performance.

Quality Assurance Strategies and Processes:

- Assessing the quality parameters and providing required suggestions for the improvement.
- Implementation of e-governance in all operations of Institute.
- Conducting seminars / workshops, FDPs on emerging technologies for faculty.
- Conducting expert lectures from eminent personalities from Industry-Academia.
- Arranging regular training programs/workshops for students and supporting staff.

Contribution of IQAC for institutionalizing the quality assurance strategies and processes:

1. Regular academic monitoring of all the classes
2. Weekly compliance of teaching plan by heads
3. Monthly performance Review
4. Implementation of Academic Audit
5. Effective implementation of Mentor-Mentee scheme
6. Initiatives for effective teaching-learning such as student centric teaching-learning methods.
7. Encouragement and effective implementation of ICT tools in teaching process.
